I'm not sure if I'd come back that night or not, but it would be fine if I got back late, so it doesn't really matter.

That sounds good. Would you need to leave in time to be back in Seattle that evening?
I'll ask Jennifer hold the day open, and find out who else might want to participate.

Friday would work for me, but let me check with Dave and I'll get back to you. I don't know that we can pick a time, though, until we see how late Dwane wants to go until.

Hi Jill –

Can we look at calendars to target for folks at your end to walk us through EPA action on the Oregon 2012 303(d) list?
We talked about scheduling something the end of this month when you will be here in person.
It sounds like Dwane Young and RTI are looking at the last couple days in Jan (28, 29) to be in Portland.

Looking at Jennifer's schedule, she is pretty booked on Jan 27, but might be open later on Friday Jan 29, or earlier in that week.

If you send some date/times, I'll check with others here who might want to participate by phone or in person.
Thanks
